

Supplementary Material Contents:

1. **Study_data_post_exclusions.csv:** Contains the de-identified responses from the Qualtrics surveys, excluding responses that failed the verification or both the factual questions.
2. **Qualtrics_Survey.pdf:** Includes the complete Qualtrics survey template used in the experiment. This template encompasses the consent form, all survey questions, and one example of the visualization condition. The same template was consistently used across all visualization conditions.
3. **study_conditions folder:** Contains images of each of the three visualization conditions used in the experiment.
